**Subject:** Potential CLP Meeting Dates / Administrator Visit

Mike,

CFAC is considering scheduling the next CLP meeting for May 2018. CFACs preferred dates for the meeting are Thursday, May 10<sup>th</sup> and Thursday, May 17<sup>th</sup>. As part of this CLP meeting, CFAC planned on offering a Site tour that would include observation of the Phase II drilling activities and also an observation of the demolition activities. The tour would also include an opportunity for the public to ask questions about the work.

On a related note, we understand that the Region 8 administrator is interested in doing a Site visit in the near future. We wanted to point out that the CLP meeting would be a good time for the administrator to tour the Site and to meet the community panel. If this works out with the administrator's schedule, we can have Ann Green Communications coordinate the logistics of the visit. Ann Green can work with Robert Moler to make sure the needs of the agency/expectations for the visit are met.
